THE PLAN OF THE CISM SPORTS CLUB SECTION - VOLLEYBALL

The volleyball section is one of the first and most popular sections in the CISM sports club.

The volleyball sports section among students is designed for full-fledged volleyball lessons for students of the Caspian International School of Medicine (CISM).

The objectives of the section are to inculcate the principles of a healthy lifestyle to students, to organize the process of playing volleyball at an amateur and professional level, to prepare the national team of the School of Medicine for various high-level competitions.

The number of participants is 12 players or more.

The head is the Department for Work with students.

Volleyball Section Coordinator - 5th year student Surendra Kumar (+919649348729)

Time: 16:00-18:00 (3 times a week).

Location: Sports hall.
