### THE PLAN OF THE CISM SPORTS CLUB SECTION - CRICKET

The cricket section is one of the popular sections in the sports club among the students of the CISM.

Cricket is a team non-contact sport, part of a family of games in which bat and ball are used. Cricket originated in the XVI century in the south of England. The expansion of the British Empire contributed to the spread of the game around the world.

The objectives of the section are the promotion of healthy lifestyle, the formation of students' interest and needs in physical education and sports, the popularization of the game of cricket among students of the School of Medicine.

The number of participants is 12 players or more.

The head is the Department for Work with students.

Coordinator - 4th year student Tirhekar Siddharth Milind (+91 97637 05989)

Time: 16:00-18:00 (3 times a week).

Location: Sports hall.

No	Activities	Dates	Form of reporting
1	Recruitment of new players to the national team	Every 2 months	Photo and list
2	Championship inside the school	Twice in a year	Photo
3	Intercollegiate competition, championship	Within academic year	Photo

Head of the students' affairs department
